FERNWOOD

**Annual
Shorthorn
Sale**

CARY, ILLINOIS

FRONT COVER

Glastullich Cock Robin and Bapton Guardsman, senior stock bulls at Fernwood.

BACK COVER

Bapton Guardsman with Northwood Princess Lisa, Lot 48, a special sale attraction. By Findowrie Challenger, she is in calf to Bapton Guardsman.

L to R: Northwood Violet, Lot 46; Northwood Pam Clara 3rd, Lot 44; Northwood Broadhooks 12th, Lot 63; Northwood Princess 14th, Lot 45; Glastullich Clara Carol, Lot 55; Northwood Princess Lisa, Lot 48.

In the past five years the finest Shorthorn and Polled Shorthorn herds from 31 states and Canada have purchased seed stock here. This is the best testimonial to the universal acceptance of Fernwood Shorthorns. The satisfaction and repeat business of these customers are among our most valued assets.

Never have we been able to face the future with greater confidence. The two young bulls upon which we placed our faith have proved to be exceptional sires. Glastullich Cock Robin, popular Denver champion and All-American, continues to sire a uniform group of bulls and heifers of grand breed character, depth, and great thickness from end to end. Two years ago we invested \$25,000 in Bapton Guardsman. In this sale we unveil his first calves. In addition, 23 of the females sell bred to him. We believe you will agree Bapton Guardsman is a sire that will write Shorthorn history.

Fernwood is proud that Shorthorn breeders everywhere feel a co-ownership in the things that make Fernwood . . . and a stake in what takes place here. The Fernwood program is long range . . . never shall we sacrifice quality for expediency . . . and we believe this carefully picked offering proves it.

Cows like these are the dams of the cattle in this sale.

In a sense, the Fernwood sale and this catalog are an annual report to the breed on the progress at Fernwood. The years from 1959 through 1963 were concerned primarily with building the cow herd . . . and this is a legend in itself. We feel very strongly about the cow herd, because while a bull may be half the herd, the dam of the bull you buy represents at least half of his breeding potential.

As you travel through the cow herd . . . and we hope you will come Sunday to give yourself time . . . you will notice the large number of good young females that have been placed into the herd over the last four years. Some of these were imported-in-dam, some were bred by us in Scotland and sired by Glas-tullich Rosewood Robin. There are

also many beautiful daughters of Bapton Pioneer.

1964 saw the first sons and daughters of Glastullich Cock Robin brought forward. This year we will sell 22 head by him . . . seven bulls and 15 heifers.

1965 is the year Fernwood introduces the Bapton Guardsman line. If you have talked to anyone who has seen these first sons and daughters you will know why we are so pleased with our \$25,000 investment in this sire. There are five sons and five daughters selling . . . and we are so confident you will be enthusiastic about them that 23 of the best sale females have already been bred to Bapton Guardsman.

All 13 bulls . . . and 52 of the 62 females . . . in this sale were bred in the herd, either here at Cary or at the Boghead branch in Scotland.

Bud and Peppi Grosse at last year's Fernwood sale.

Words cannot convey the depth of the loss felt by the members of the family and all of us here at the farm with the tragedy that took the life of Bud Grosse earlier this year. We appreciate the many kind expressions from Shorthorn breeders of all parts of the world.

Bud made great plans. His vision and determination were responsible for helping make this one of the great Shorthorn herds in the world. Fernwood will continue to build on these principles of vision and quality.

Daughters of Bapton Guardsman selling in this sale.

Relaxing the day before the 1964 Fernwood sale.

GENERAL SALE INFORMATION

TIME AND PLACE — The sale will be held at Fernwood Farm, Monday, May 31, 1965, starting promptly at 12:30 p.m. Fernwood is located three miles north of Cary, Ill., and approximately 40 miles northwest of Chicago. It is 18 miles north of Elgin. From junction of Routes 176 and 31, go south one-half mile on Rt. 31 to first road leading east. Signs will lead you to Fernwood. Fernwood is about one half hour's drive from O'Hare airport, the main Chicago air terminal.

MEETING YOU — We will be very happy to meet you at O'Hare airport, if you advise us in advance of your flight and arrival time. If you make plans late, simply call the farm phone listed below when you arrive. If you come by train, frequent service is available from downtown Chicago to Cary on the Northwestern. If you come by Burlington from the west, by making advance arrangements with The Shorthorn World for a ride you could probably get off at Aurora.

FARM PHONE — Cary, Illinois 639-4227 Area code 312.

MOTEL RESERVATIONS — There are many excellent motels in the area. Advise us when you will arrive and we will be happy to make motel reservations for you. We urge you to write as early as possible so we can provide best possible accommodations and in the same motels as the others attending this sale.

GUARANTEE — All cattle will be sold under the Standard Guarantee of the American Shorthorn Ass'n printed elsewhere in the catalog. A condition of this guarantee is that notification be made to seller within six months of the sale. Certificates of registry and transfer will be furnished

FERNWOOD

Herdsmen

GORDON BURKEY

(GENERAL INFORMATION, Continued)

with each animal sold. All cattle become the property and risk of the buyer as soon as bid off. However, every effort will be made for their care. Be sure to leave shipping instructions with J. Ralph Peak, manager.

HEALTH — All cattle will be sold to comply with the requirements of the State of Illinois. Health certificates will be furnished. Official calfhood vaccination of heifers for Brucellosis has been the practice since the start of the herd.

TERMS — The terms of the sale are cash. All settlements to be made with the clerk at the conclusion of the auction and before the animals leave the premises.

BREEDING DATES — A list of breeding dates will be supplied at the sale. All females far enough forward in calf will be pregnancy examined. Announcements from the block supersedes any written material.

LIABILITY — The guarantee and terms shall constitute a contract between the buyer and seller of each lot. Owners of the cattle or property can accept no responsibility for accidents that may occur. Accidents at cattle sales are rare, but all attending assume their own risk. Neither the sale manager nor any of the others hired by Fernwood can accept responsibility for accidents or the fulfillment of contracts.

DON'T MISS ANY OF THE FUN . . . You can't see everything in a few hours on sale day morning. Plan to arrive Sunday for a leisurely view of the herd and sale cattle. Cocktails at 5 p.m. Sunday. Buffet dinner follows.

L. to R.: A. C. Buehler, Bud Grosse, Dwayne Dietz, Howard Bell, and Ralph Peak.

THE SALE STAFF

MAIL BIDS — Those unable to attend and who desire to take advantage of the buying opportunities in this sale may send buying orders to any of the following qualified men, all of whom will be in attendance . . . or to any of the personnel at Fernwood.

SALE MANAGER — Don Longley, 16 So. Locust St., Aurora, Ill. Ph-896-8511 Area 312.

These men may be reached at the addresses above or within 24 hours of the sale by calling them in care of Fernwood Farm.

Daughters of Bapton Pioneer sold in a former sale.

Since this herd was founded, Shorthorn breeders everywhere have watched its development with keen interest and have grown to regard it as a key source of breed strength.

The contribution of good friends like Otto and Bud Grosse is a part of Shorthorn history. Their passing was deeply felt by all of us.

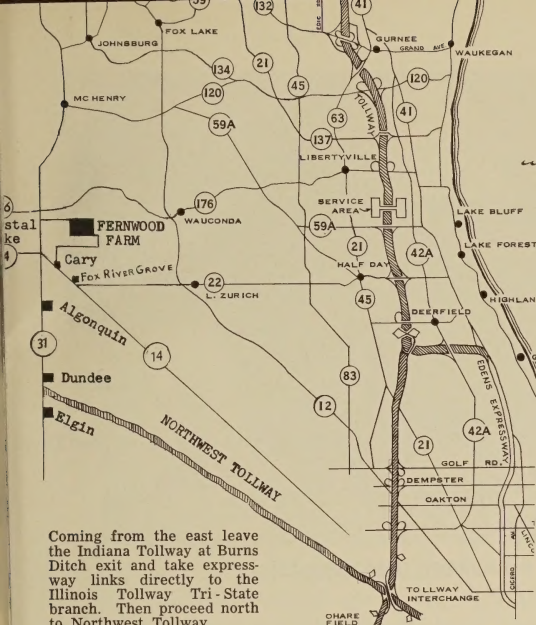

Early in 1964 Bud Grosse sold the entire herd to Fernwood Farm, knowing full well the aims and ambitions would be carried forward with the same determination.

Fernwood owner A. C. Buehler and manager J. Ralph Peak, while relatively new to the Shorthorn scene, are well known in livestock circles. They have achieved the tops in other species of livestock. These are men who are in the Shorthorn business to stay . . . and they are determined to do things right. On each of my visits to Fernwood I have been impressed with their long range view, and with their policy of not doing anything to sacrifice quality or the strength of the offering, even though it might be momentarily expedient.

For the 1965 sale they began by picking 75 head of the best young cattle on the place. On three separate occasions where Shorthorn World or American Shorthorn Ass'n fieldmen were present, the sale cattle were viewed again with the most critical eye . . . and on each occasion a few that seemed not up to the standards Fernwood had set, were replaced. Fernwood is justly proud that 65 of the 75 lots were bred in the herd.

This is the best draft of cattle ever to be sold from this great herd.

Don Longley

Coming from the east leave the Indiana Tollway at Burns Ditch exit and take expressway links directly to the Illinois Tollway Tri-State branch. Then proceed north to Northwest Tollway. From the west you pick up the Illinois Tollway west of Aurora . . . or you can save a few miles by taking Randall Rd., or Rt. 31, north from Aurora.

Fernwood Gold Medal, one of the first sons of Bapton Guardsman, sells as Lot 3. Dam: Glastullich Robina Clara by Bapton Roan Robin.

Fernwood Goldie Bella, Lot 35, stood third in strong classes at both Denver and Fort Worth with a three month age disadvantage. Sire: Bapton Guardsman.

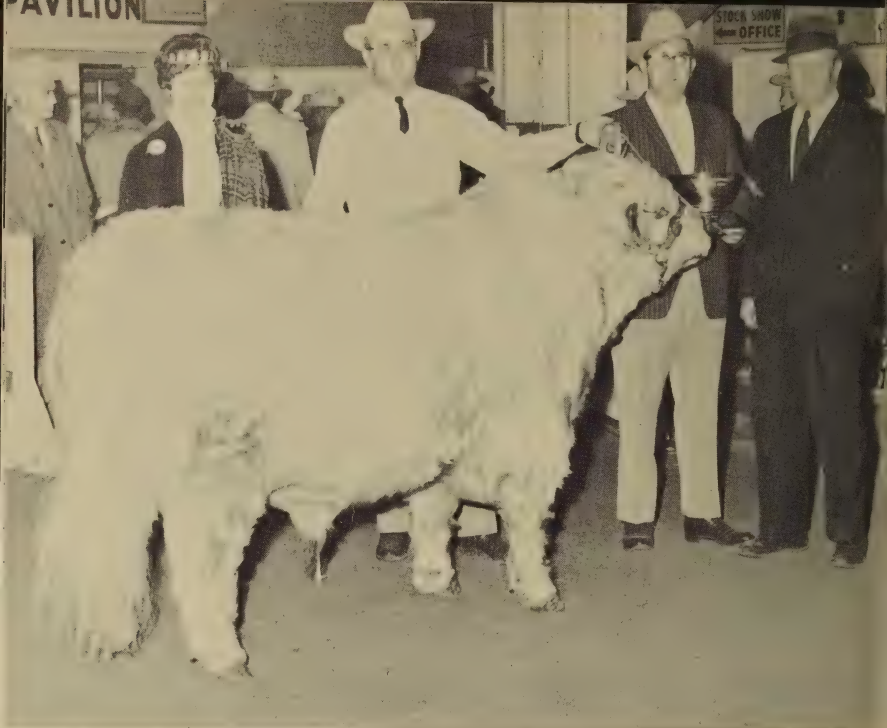

Every visitor has been impressed with the first sons and daughters of Bapton Guardsman. Ten are offered in this sale. Many others are in the fields with their dams . . . enough to provide clear evidence that this is one of the great sires on the Shorthorn scene today.

Bapton Guardsman was purchased for \$25,000. He represents the very best breeding developed in the Bapton herd. His dam, Bapton Marilyn Broadhooks, is also the dam of the 4,000 gns. Bapton Connoisseur; the dam of Bapton Clanroy, stock bull at Coldoch for three seasons then sold for a high figure to South Africa; and she is also the dam of the 4,000 gns. Perth first prize winner, Bapton Onward Bound.

Kirkton Hercules, one of the all time great sires, sired daughters noted for their production of great stock bulls.

On the sire's side we find a much desired tie-in with our Glastullich foundation, as we have a number of Bapton Balmoral daughters and granddaughters in the herd. Glastullich Garrison was sold to Bapton for \$22,500 after we purchased the Glastullich herd. He is from the same Floss family that produced Calrossie Constellation.

We are so confident of your appraisal of his calves we have bred 23 of the best sale females to him.

GLASTULLICH COCK ROBIN winning the grand championship at the 1964 Denver National Western Stock Show.

		Red, Wm. J. MacGillivray	Glastullich Augusta Elma

Glastullich Cock Robin's first prize junior get of sire, American Royal, Kansas City, 1964. At left, Glastullich Roan Robin, grand champion, sold in the 1964 Fernwood sale to Harold Rasmussen, Goldfield, Iowa.

Few bulls ever to step into a show ring had more friends than Glastullich Cock Robin. Exhibited just three times, he won his class at the International, was grand champion at Denver and Fort Worth, 1964, and was named the All-American two-year-old.

Most important of all, he is stamping every calf with his great, thick beef pattern. Twenty-two of his sons and daughters are offered in this sale. They are remarkable in their uniformity . . . great width, depth, smoothness of fleshing, thick through their lower thighs . . . they are strong where so many beef cattle are weak.

He is a son of Glastullich Rosewood Robin, the bull left by Northwood in Scotland to head their herd at Boghead. In 1962 we sold three Rosewood Robin sons for \$6,250, \$3,700, and \$3,200. In addition, you will find many of his daughters in the herd.

The dam of Glastullich Cock Robin is one of the great cows of the breed. She is also the dam of Glastullich Sunshine, \$7,200 top of the 1961 sale, going to Emile Cammaert & Sons, Alberta.

In the 1964 sale we brought out the first calves by Glastullich Cock Robin. The first three through the ring, from nine to twelve months old, brought \$3,050, \$3,000, and \$2,150.

BAPTON PIONEER

This great son of Bapton Cairnbrogie laid a powerful foundation at Fernwood. His daughters are among the most valued in the herd. He is out of Bapton Mavis Crocus that also produced the \$26,000 Louada Masterstroke and the \$15,000 Louada Masterpiece. Four daughters of Bapton Pioneer sell.

CLIPPER KING of BAPTON x

An outstanding imported Polled Shorthorn bull that is acclaimed everywhere for his tremendous scale and substance and magnificent character. A son and four daughters sell. By Coronet Max Leader 3rd x that founded the Bapton Polled Shorthorn herd. Out of Bapton Fair Clipper by Calrossie Constellation. Clipper King is now owned jointly by KC Shorthorns, Kansas City, Mo., and Royalty Farms, Whitesville, Ky.

GLASTULLICH ROSEWOOD ROBIN

He is the sire of Glastullich Cock Robin. Rosewood Robin is by Bapton Roan Robin and out of Glastullich Rosewood Rapture. The first three sons of Rosewood Robin averaged more than \$4,000 in the 1962 sale. Four daughters sell as special attractions.

ROAN LAD OF NORTHWOOD x—A promising young polled bull that has the strongest possible heritage from Scotland. The dam is the granddam of Fernwood Gold Medal, one of the best young bulls in the sale. She has three beautiful daughters in the herd. This bull is an excellent individual and with his background we don't see how he can miss as a sire.

The Dam of Your Fernwood Bull

Burnton Eliza 6th, the great Scottish show cow that is in the Fernwood herd along with her three daughters and two granddaughters. Females of her calibre make up the Fernwood herd.

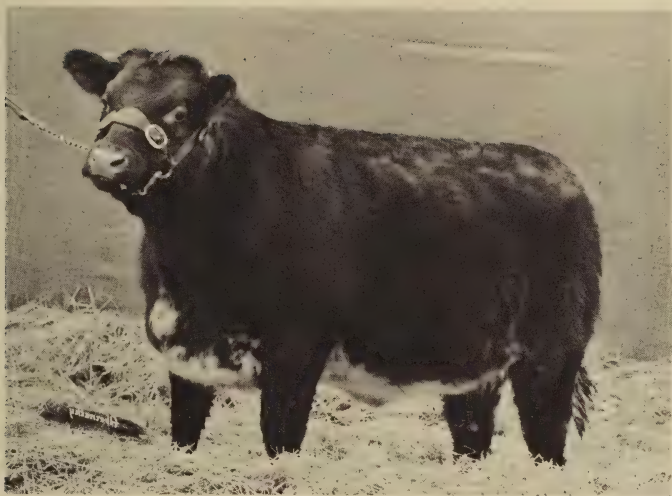

The dam of your Fernwood stock bull will be among the strongest brood cows in the world because only top cows make up the Fernwood herd . . . cows that have been selected from the great herds of North America and Scotland and their beautiful daughters bred at Fernwood.

These are powerful cows of size, capacity and thickness . . . the kind that can produce stock bulls to head the best herds in the world. Mated to the Fernwood herd sires, their potential is unlimited.

Everyone agrees that while a bull is half the herd, half the bull is his dam. No matter how strong an individual your bull may be, it is not likely that he can breed any better than his heritage.

Be sure to inspect the Fernwood brood cows. Each is the kind you would be proud to have as the dam of your herd bull.

GLASTULLICH ROSEWOOD 2nd — Certain to be one of the most popular
heifers in the sale. The dam produced Glastullich Rosewood, sold in our 1964
sale to Mrs. James Brennen, Mains Farm, Poulsbo, Washington. Bred to
Bapton Guardsman.

Abernathy

Left to right: Northwood Violet, Lot 46; Northwood Pam Clara 3rd, Lot 44; Northwood Broadhooks 12th, Lot 63; Northwood Princess 14th, Lot 45; Glastullich Clara Carol, Lot 55; Northwood Princess Lisa, Lot 48.

The Fernwood Females

The 62 females selling make up the most beautiful draft to be offered in years. Fernwood is particularly proud to offer the first quality of daughters by Glastullich Cock Robin. Fifteen of them sell and each is a top individual. As a special feature, five of the first daughters of Bapton Guardsman sell and there are three strictly choice daughters of Glastullich Rosewood Robin, the sire of Cock Robin. Most of these outstanding heifers are in calf — 23 to Bapton Guardsman and seven to Glastullich Cock Robin. Many will have calves by sale day. Here is an unequalled opportunity to buy top foundation females with the heritage that insures their value.

GLASTULLICH LADY SWIFT—Note the dam is a granddaughter of the famous A. J. Marshall sire, Cruggleton Achilles. This beautiful Glastullich Rosewood Robin cow will calve before the sale to Bapton Guardsman.

Daughters of Glastullich Cock Robin at Fernwood Farm.

Glastullich Cock Robin is shown with a few of the brood cows at Fernwood.

Bapton Guardsman, in two-year-old form in pasture at Fernwood.

13 Bulls – the “pick” of the Best at Fernwood – 62 female lots including

22 by Glastullich Cock Robin — 7 bulls and 15 females
8 imported females — 4 by Glastullich Rosewood Robin,
the sire of Glastullich Cock Robin

10 by Bapton Guardsman — 5 bulls and 5 females
23 females bred to Bapton Guardsman
7 females bred to Glastullich Cock Robin

Polled Shorthorn Breeders . . . As a special feature, Fernwood sells eight Polled Shorthorns. A son and four daughters of Clipper King of Bapton x . . . a daughter of Captivator of Bapton x . . . two Polled females bred to Bapton Guardsman.

Glastullich Actor (Lot 6) son of Glastullich Cock Robin. Dam: Glastullich Rosewood Rita by Calrossie Courtier. Granddam: Glastullich Rosewood Gem by Calrossie Claymore.

Fernwood Gold Medal (Lot 3) one of the first sons of Bapton Guardsman. Dam: Glastullich Robina Clara by Bapton Roan Robin. Granddam: Glastullich Pam Clara by Calrossie Hyperbole. Third dam by Calrossie Ocean Wave.

**GLASTULLICH
COCK ROBIN**

GLASTULLICH COCK ROBIN

15 Daughters Sell

Only seldom does a bull of the stature of Glastullich Cock Robin come along. It is even more rare to see his owners lay the bull's reputation on the line in the showing. When Cock Robin was shown, he was among the most popular grand champions in the history of both the National Western and Southwestern Expositions. At the same time, his first sons and daughters were winning in the calf classes . . . proof of Cock Robin's ability to sire the very best.

The fifteen daughters of Glastullich Cock Robin that sell are the first to be offered in quantity. They represent the finest female lines of the breed and are stamped with the uniform quality of all the Cock Robins. Those carrying his calves provide a unique opportunity to "luck" a stock bull in dam.

NORTHWOOD BLOOD ROYAL 10th — This is the same good Millhills Blood Royal family that has been so successful for Louada. The sire, Findowrie Challenger, sold in our 1963 sale to Cox & Cox, Nespelem, Washington. Bred to Bapton Guardsman.

Glastullich Promenade, the \$5,000 top bull of the 1963 sale when he was purchased by Dr. Harvey Holmes, Paola, Kan. He is the sire of Lot 61.

WILLOWBROOK AUGUSTA—This is a daughter of Northwood Pioneer Crown, \$9,000 top of the 1961 sale. The dam comes from the famous Augusta Brae family at The Hickories and is sired by a grandson of Beaufort Bulldozer. Bred August 24 to Willowbrook Crown Lad, a son of Northwood Pioneer Crown, out of the \$3,600 Marellbar Butterfly 12th.

CLIPPER KING OF BAPTON x

The Fernwood Polled Project –

In 1963 with the acquisition of Clipper King of Bapton x, Fernwood Farm embarked on a Polled Shorthorn project destined to blend the best of the new blood of Scotland with the powerful female lines that make up the Fernwood cow herd.

The early results have been enviable. The number of excellent Polled Shorthorn calves now on the ground at Fernwood are ample proof of the importance of this project to the future of the breed.

Selling are one bull, Lot 13, and eight Polled Shorthorn females. Four females are by Clipper King of Bapton x (see reference sires.) Two carry calves by the \$25,000 Bapton Guardsman. Rarely do Polled Shorthorn breeders have a similar chance to infuse the best of Shorthorn blood with the added advantage of a polled head.

Burnton Eliza 6th shown winning one of her many supreme championships in Scotland. This outstanding cow is the dam of Lot 68.

GLASTULLICH BLOOD ROYAL 2nd—Entered as a last minute special attraction. One of the rare buying opportunities of the year. She is by the sire of Glastullich Cock Robin and is from the great Islabank Blood Royal family. She sells with a heifer calf born April 9, 1965, by Bapton Guardsman.

Standard Guarantee

ENDORSED BY THE AMERICAN SHORTHORN BREEDING ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
